

Summary of Day

Piece together the structure of a flower and then discover the beauty and complexity of flowering plants through observational drawing. Discover how plants are pollinated.

Learning objectives

- To understand why plants produce seeds
- To become aware of the parts of the flower used in pollination.
- To identify the parts of a plant

Key Vocabulary

stamen
anther
filament
pistil
stigma
style
ovary
ovule
petal
sepal

Prior Learning

No prior learning is essential for children to take part in this day.

Example outline of the day

Approx 10 am	Arrive / Introduction to Gatton Park / Safety talk
10.15 - 11.45	<ul style="list-style-type: none">• Looking for different shaped flowers in the gardens• Parts of a flower relay race• Observing and drawing flowers in the Japanese garden• What goes on inside a tree – an activity that shows what happens inside the tree trunk.
12.00 - 12.30	Lunch

Assessment Opportunities

Gatton Staff will assess progress throughout the day by open ended questioning and plenary session.

- Do the children know how seeds are dispersed?
- Do the children know what seeds need to grow?

Information for the group leader

- Outdoor clothing & sturdy footwear / wellies are advised
- Please note that due to the nature of the study site, adjustments may need to be made to this programme for those visitors who use a wheelchair or have limited mobility. Please contact the Centre to discuss alternatives.
- Please note this day will go ahead in most weather conditions. However alternative bad weather activities are available at the Centre if necessary.
- All of the activities in this programme take place in groups . Please allocate your class into groups before the visit and assign an adult to each group. Ensure that the children are aware who they will be working with.
- Centre Risk Assessments are available for those who come on a pre visit; these may be used to write your own risk assessments in accordance with your school's requirements.

Post Visit learning opportunities

- For ideas for post visit activities visit the follow up activities section of the Gatton Trust Website.
